HGTV super-fan? This is the home for you! This warm, inviting, just plain gorgeous house may be the perfect spot to call home. Cuddle up in front of the fireplace on those cold, winter nights. Enjoy family dinners in the formal dining room or catch some rays through the windows of the bright and sunny den. Friends and family are all invited! There's a beautifully finished basement (or man-cave) where you can lounge and watch the games on tv. When the warm weather hits, it will be time to entertain outside. Day or night is equally appropriate for a party. There's a patio for outdoor dining, a firepit for chillier times, and a covered bar so you can still watch the games alfresco. Move in today, throw a party tonight!
